25X1A

In accordance with our discussion of 16 December 1963, I am forwarding a copy of our letter of 6 September 1963, setting forth the cost figures for the airborne units and the test set. The cost estimate is based on supplying production models which are the same as the [] experimental model. The cost estimate set forth in the 6 September 1963 letter is for a cost-reimbursement type program. For comparison between [] quotes, the following is presented:

One (1) Airborne Unit
Test Set

The following delivery schedule is predicated upon approval of the experimental item by 1 January 1964.

1st A/B Unit	1 March 1964
2nd	1 April 1964
3rd	1 May 1964
4th	1 June 1964
5th A/B Unit and Test Set	1 July 1964

Any slippage in the approval of the experimental item must be added to delivery time of the units.

Progress payments or partial payments are requested in the event a fixed-price type program is desired by the Government.

GROUP 1
Excluded from Automatic
Downgrading and
Declassification
